

b. Accessory Use. The use of a building or site, or portion thereof, which is incidental or subordinate to the principal use of the building or site.

c. Agriculture. The use of land for the production of livestock, crops, produce or poultry for sale or barter, including structures or other site improvements incidental to such uses.

d. Apartment. A room or rooms in a multi-family dwelling containing two or more such units, occupied or suitable for occupancy as a dwelling unit. The term does not include a townhouse or condominium.

e. Automobile Wrecking Yard. A site used for the wrecking or storing of motor vehicles, or parts thereof.

f. Board of County Commissioners. All references to the Board of County Commissioners and the County shall mean the Board of County Commissioners of Sublette County, Wyoming.

g. Building. Any structure designed or used for the housing or enclosure of persons, animals, chattels or moveable property of any kind, not including tents or temporary structures.

h. Campground. An outdoor recreation facility providing overnight visitor accommodations in the form of recreational vehicle or tent sites, which has no permanent facilities other than management offices and sanitary facilities.

i. Cluster or Planned Unit Development. A residential development in which the dwelling units are concentrated on a portion of the site, and the remainder of the site, excluding streets, is preserved as open space.

j. Condominium. A unit in a multiple family dwelling within which each individual unit is intended for separate purchase, together with an interest in common in the site on which the multiple family dwelling is located.

k. Density. The number of dwelling units of any type, including mobile homes, on the site of any development, expressed as the number of units per acre, taking into account the total area of the site.
