

- a. Said occupation shall not be visible or noticeable from outside the walls of the building in which it is located.
- b. Adequate off-street parking shall be provided.
- c. The use shall not be conducted in a manner which creates a nuisance or otherwise interferes with adjacent residential or other uses.

Section 23. Automobile Wrecking or Salvage Yards. Automobile wrecking or salvage yards shall conform to applicable development standards established by this chapter and shall also conform to the standards in this section. In case of conflict, the more stringent requirements shall govern.

- a. Those portions of the site upon which salvage materials or non-operating motor vehicles or parts thereof are stored shall be setback at least 1000 feet from State or Federal highways and 500 feet from County or other public roads;
- b. Screening shall be provided to minimize visibility from adjacent property, County or public roads or highways through the construction of a fence or other structure acceptable to the County not less than 8 feet in height;
- c. No material shall be stored to a height greater than the screening, nor piled against the screening;
- d. The exterior screening shall be setback at least 20 feet from the exterior boundaries of the site to provide a firebreak.

Section 24. Sanitary Land Fills. Sanitary land fills shall conform to all State and Federal requirements, and shall also conform to all applicable development standards in this chapter and the provisions of this section. In case of conflict, the more stringent requirements shall govern.

- a. Sanitary land fills shall be setback at least 100 feet from the boundaries of the sites;
- b. Sanitary land fills shall be screened from adjacent property, roads and highways by a fence or other form of screening acceptable to the County.

Section 25. Signs. No signs or advertising devices shall be erected or maintained in any zoning district except in conformity with the requirements of this section. Signs adjacent to State or Federal highways shall conform to all State and Federal requirements in addition to the requirements of this section. In case of conflict, the more stringent requirement shall govern.
