

d. Notify the Zoning Administrator or County Sanitarian at least 24 hours prior to backfilling of system. The Zoning Administrator or County Sanitarian will perform a final inspection of the installation to insure compliance with these regulations. The compliance section of the permit will then be signed. If the applicant does not notify Zoning Administrator or County Sanitarian following actions may be taken or required by the Zoning Administrator or County Sanitarian.

- (1) digging up the system to show compliance with these regulations,
- (2) revocation of the permit,
- (3) legal action, or
- (4) all of the above.

Section 11. Duration and Termination of Permits; Transfer of Permits

a. The duration of construction, installation or modification permits will be variable, but shall not exceed one year from the date of issuance. The expiration date will be recorded on each permit issued. Those permits issued without a specified expiration date will be in force no more than one year from date of issuance.

b. Permits will be issued only to the official applicant of record, who must be the owner of the permitted facility, for only the type of construction of record and shall be automatically terminated:

(1) Within 60 days after sale or exchange of the facility unless application for transfer is received pursuant to subsection c of this section.

(2) When construction is completed. Except that conditions included in the permit will remain in effect throughout the life of the facility.

(3) Upon issuance of a new, renewed or modified permit.

(4) Upon written request of the permittee.

c. Permits shall be transferred to new owners by the completion and submittal of ownership transfer forms by the new owner to the Zoning Administrator or County Sanitarian. The new owner shall also submit a written request from the existing owner to transfer ownership. The Zoning Adminis-
