OF SEPTEMBER 21, 1900 (O.R. 3, P. 277; O.R. 6, P.)
63, 64, PROOFS 5450, 5451))

FINDINGS AND ORDER

THIS MATTER coming regularly before the State Board of Control this 12th day of May, 1954, the Board FINDS:

THAT the petitioners, Max Boroff and Lester Pape, set forth under oath that they are the sole owners of appropriations of water from Green River, through the Ashley-Wolf Ditch, under Permit 2828 with priority of September 21, 1900 (O.R. 3, P. 277; O.R. 6, P. 63, 64; Proofs 5450, 5451) and of all the lands irrigated thereby;

THAT the original Certificates of Appropriation and the Order of Adjudication erroneously described the lands irrigated as including 40 Ac. NW¼SE¼, Section 9, Township 34 North, Range 111 West, and duplicated the 40 Ac. in the SW¼SW¼, Section 10, Township 34 North, Range 111 West;

THAT the lands which should have been described are: 20 Ac. SW¼SE¼, Section 9,
40 Ac. SW¼NW¼, Section 10, Township 34 North, Range 111 West;

THAT the petitioners request that Amended Certificates be issued to Max Boroff to include 20 Ac. in the N½SW¼SE¼, Section 9, Township 34 North, Range 111 West, and to restore the acreage in the SW¼SE¼ of said Section 9 to 7 Ac.; and to Lester Pape to describe the 40 Ac. in the SW¼NW¼, Section 10, Township 34 North, Range 111 West, instead of 40 Ac. NW¼SW¼; and further to;

THAT the error in describing said lands originally was due to inadvertence or misinformation of the applicants, their agents, Ashley-Wolf Ditch Company or other persons at the time of the original Certificates of Appropriation;

THAT certificates of the County Clerk of Sublette County, showing the petitioners to be the owners of said lands, no mortgages appearing of record;

THAT no water was filed, nor the water thereby for in 1951, 1952 and 1953 and, as a result, said rights were partially forfeited, for the reason of non-user of water during said years, but that the petitioners have not abandoned the rights, intending to use the water in the future, if such be necessary;

THAT it will not injure [illegible];

THAT Amended Certificates of Appropriation be issued to Max Boroff or [illegible], and that the rights as to the lands described in the Ashley-Wolf Ditch, under Permit 2828 with priority of September 21, 1900, be restored to the original Certificate of Appropriation of record in Certificate Record 6, Page 64 and 65, and that the Order of Adjudication entered [illegible], be amended in accordance with the following tabulation:

40 Ac. SE¼SE¼, Section 20,
39 Ac. SW¼SW¼, Section 21, Township 38 North, Range 113 West
Total 94 Ac.

THAT the change is desired for the reason that by extending the Hansen Ditch the lands can be irrigated with a more adequate supply of water, as is required by use of the Stultz Ditch, and lands can be better and more economically irrigated;

THAT there are no intervening landgrades between the present and proposed points of diversion and no intervening diversions or other means of water supply, which might affect the rights of other appropriators;

THAT the written consent of all the owners of the Stultz and Hansen Ditches has been filed;

THAT a certificate of the County Clerk of Sublette County, showing the petitioners to be the owners of the land involved, is attached to the petition;

THAT maps in duplicate, prepared by a registered engineer and land surveyor and showing the lands involved, are filed in the State Engineer's Office in connection with Permit 5696 Enl.
